INFORMATION TO BE PROVIDED BY THE VENDOR: Ninety (90) days prior to the expiration date of the contract, the vendor shall advise the Procurement Division of the quantities of each item furnished against this contract for the preceeding 12 month period.

The vendor agrees to charge this prices for any products ordered on any QPA release received after the expiration date, but issued prior to the expiration date, and postmarked no later than 14 buisness days after the QPA's expiration date.

Options:

Under no circumstances will WRITE-IN options be acceptable. The state has provided a list of manufacturerer specific options, (see attached) which have been deemed acceptable.

Delivery:

Lead times must be listed on QPA Releases and will be used in determining compliance. Upon release of build out schedules lead times will be subject to availability.

License & Title:

To assist in the payment process, State Motor Pool will not issue license and title until they have confirmation from the agency that all paperwork has been sent tot he auditor. This proof will be in the form of a QPA received signed by all agency authorized personnel.

The term period listed on the contract does not guarantee vehicle availability. This shall be determined by the build out date listed on the contract. Once this date has been established all orders placed prior to this date shall be confirmed for delivery. All orders placed after this date through contract expiration shall be subject to dealer availability of the current model year. If the contract is renewed through new model year, delivery dates typically cannot be confirmed between the months of June through mid August due to manufacturer delays. All QPA releases received after the build out date must include confirmation from the dealer that stock is available or include an expected delivery date for the new model year.
